- Maintain accurate documentation of patient information, including medical history and procedure details
- Collaborate with the healthcare team to develop individualized care plans for patients
- Adhere to infection control protocols and maintain a clean and sterile environment
- Educate patients and their families about post-procedure care and answer any questions or concerns
- Demonstrate the ability to maintain good interpersonal relationships with patients, co-workers, and other health team members

EXPERIENCE

- Minimum of 1-2 years of experience as a Registered Nurse in an endoscopy or related setting
- Proficiency in medical terminology related to endoscopy procedures
- Experience with infusion and medication administration
- Knowledge of patient assessment techniques and ability to recognize changes in patient condition
- Familiarity with behavioral health considerations in the endoscopy setting

QUALIFICATIONS

- Graduate of an accredited school of nursing - has a current license to practice as a Registered Nurse in the State of Illinois
- Current Basic Life Support certification, current ACLS certification preferred or basic EKG or Arrhythmia identification certification
- Strong communication and interpersonal skills
- Ability to work effectively in a fast-paced environment
- Excellent problem-solving skills and attention to detail

We offer competitive compensation, comprehensive benefits package, including medical/dental/vision insurance, retirement plan options, paid time off, and opportunities for professional development. Join our team of dedicated healthcare professionals and make a difference in the lives of our patients.

To apply, please submit your resume and cover letter detailing your relevant experience and qualifications directly to HR@suburbangi.com. Only qualified candidates will be contacted for further consideration.
